#### Diocese of Barset Church Growth Fund

Potential gift size: £20,000

The Fund for Church Growth supports a wide variety of projects that help to develop and grow Christian witness within churches and out in the wider community. The types of projects supported by the Fund include: employment of youth workers, lay workers, chaplains, mission advisers; establishment of church cafes or pensioners' lunch clubs; reordering buildings to enhance or develop local mission. Wherever possible and appropriate, ecumenical involvement is encouraged.
